As an independent, nonaffiliated supplier, we are able to respond quickly and directly to our customers' needs. With many operators now running mixed fleets of vans, trucks and trailers fitted with different manufacturer's refrigeration units, we understand the importance of customers being able to get the parts they need, when they need them.

We give our customers access to an unrivalled range of spare parts directly from stock, 99% of all orders are despatched the same day for next day delivery across the UK, Ireland and much of mainland Europe.

OUR BRAND PARTNES

WHY CHOOSE MYRIAD?

WE'VE BEEN LEADING THE INDUSTRY FOR 24 YEARS

OUR ACCREDITATION

We have been certified with International Quality Standard ISO 9001:2015 for our quality management system, as well as being an active and proud member of the Cold Chain Federation.

WE ARE MYRIAD

Myriad Parts was founded in 2000, to supply quality new and reconditioned spare parts, primarily to the transport refrigeration industry (Carrier Transicold® & Thermo King®). Over the past 24 years, we have grown the business with customers' needs in mind – making sure we deliver a high-quality service - at competitive prices.

We are proud to provide our customers access to a large and diverse range of stock, with 99% of all orders dispatched the same day and many product lines available for next-day delivery across the UK, Ireland and much of mainland Europe.

As an independent, non-affiliated supplier, we can respond quickly and directly to our customers' needs. With many operators now running mixed fleets of vans, trucks and trailers fitted with different manufacturer's refrigeration units, we understand the importance of customers being able to get the parts they need, when they need them most.

The variety of stock we hold is driven by the needs of our customers and their customers alike. We work hard to source quality components, manufactured in Europe, exclusively for our customers.

At Myriad we are committed to developing long-term relationships with our customers and going above and beyond to supply quality parts.

 **OFFICIAL DISTRIBUTORS**
